

CORD-MATE

Serving Seniors since 1988

705 Wallingford Road • Cheshire, CT 06410

800-922-7990

Wireless Help Button Upgrades Your Existing Call System

Waterproof Help Button enables residents to activate your existing pull-cord, call-button, off-hook or other call system by remote control.

“Cord-Mate has proven to be a life-saver on a number of occasions for our residents”

Joel W, Administrator, Waco, TX

“Thank you for being so kind. I am feeling secure and I do thank you! You were so understanding and cooperative and I am most grateful!”

Cathryn C, Resident, Los Gatos, CA

“Thanks for your quick and no-nonsense service.”

Rich G, Maintenance, Dover, DE
